

BASSO115

15" ultra-high power infra-subwoofer

Highlights:

- 3000 Watt program power
- null
- null
- null
- Impact resistant, ball impact proof
- null

Product information:

Engineered for demanding environments such as nightclubs, concert venues, theme parks, and hospitality spaces, the BASSO Series combines cutting-edge technologies like the pure carbon fiber cone and AeroVent for exponential low-noise venting with meticulous craftsmanship to set a new standard in low-frequency fidelity.

With a focus on ultra-high power output and exceptional sound clarity, the BASSO Series offers a flexible, efficient solution for diverse applications. Each model is designed to deliver a visceral sound experience with immersive infra-sub performance and extremely low distortion.

Applications:

- null
- Hotels
- Clubs
- null
- Events
- Concert venues
- null

Impedance:

Ω 8 Ohm

Usage:

 Indoor

System specifications:

Speaker type		null
Configuration		null
Peak power handling		6000 W
Program power handling		3000 W
Continuous power (AES)		1500 W
Impedance		8 Ω
Max SPL (Continuous/AES)		130 dB
Sensitivity (1W/1m)		98 dB
Frequency	Response (- 3 dB)	37 Hz - 120 Hz
	Range (-10 dB)	31 Hz - 200 Hz
Bass port tuning frequency		38 Hz
Drivers		15" carbon cone with dual suspension (low-loss) and 4" high excursion voice coil
Connectors		null

Product Features:

Dimensions		27.087 x 17.56 x 27.68 " (W x H x D) (excluding feet)
		27.087 x 17.76 x 27.68 " (W x H x D) (including feet)
Weight		77.16 lb
Operating temperature		-4 °F ~ 158 °F
Construction		18 mm Multiply plywood
		Coating - Multi-Layer polyurea coating (4-layer)
		Metal parts - Zinc plated bolts & fasteners
Front finish		2.5 mm Zinc plated steel with hexagon perforations and powder coat & acoustical foam backing
Mounting & handling	Rigging points	null
	Stand fitting	null
Colours		Black

Variants:

- BASSO115/B - Black version
