

# PROMO5008

Gift box

## Product information:

---

AUDAC offers you the chance to trigger your prospects in the most unique way. The PROMO5008 box can be used to place the complete AUDAC catalog range inside. A convenient cord enables you to easily take out the catalogs from the box. The boxes are also available with a foam cut-out to insert an ATEO2 and allows you to include an artwork which you can download and adjust to your needs to trigger your specific receiver.
