

Product information:

The OPR series are solid constructed open-frame racks for 19" equipment compliant to ANSI/EIA RS-310D, DIN41491 and IEC60297 standards which are suitable for wall mounted or floor standing installation. The rugged construction made of 2.5 mm thick steel allows pre-loading of the equipment before transportation to the installation site. Finishing is done in a black (RAL9004) powder coating with fine structure while punched equipment mounting profiles on front and both sides offer a multifunctional use of the cabinet. Delivered in a flat-down package, the simple structure allows assembly by a single person in a record-breaking time. Available in various heights from 6 up to 18 rack space.

Product Features:

Dimensions		20.39 x 27.87 x 20.24 " (W x H x D)
Unit height		12 HE
Max. usable depth		19.69 "
Max. load		881.85 lb
Weight		22.27 lb
Colours		Black (RAL9004)
Accessories	Included	1 set Assembly hardware
		4 x Levelling feet
		4 x M8 expanding wall bolt
	Optional	24 x Cage nuts + screws
		KM600A - M6 Cage nuts
		KS600 - M6 x 16 mm bolt DIN7985 Black
