

Highlights:

- Flexible PVC jacket
- 28 AWG thin and dense stranded conductors
- 0.24 " (Ø) outer diameter
- Oxygen free copper
- Braided shielding

Product information:

The CLA720 is fitted with two female stereo jack 6.3mm connectors and one angled 6.3mm stereo jack male stereo connector, constructed using the SMC104 cable. The easy to handle PVC jacket is excellent for fixed indoor and mobile applications. The inner conductors are fitted with a durable shielding. This gives an excellent protection against interference of all kinds such as electromagnetic fields produced by dimmers, electric motors or power cables. Available in a length of 1.5 meters.

Components:

- CableType: MC104 - Microphone cable
