

CLP341

Adapter - HDMI female - DVI male - flexible

Product information:

The CLP341 is an HDMI 19 female to DVI male straight adapter. This adapter can transform the connection of a HDMI cable to DVI for monitors, projectors or tv's where only a DVI input is available. The adapter has a flexible body to release strain on the input connection or connected cables. The firm molding over the connector ensures an isolation from the ground and gives a solid feel.
